

PARADIGM **SHIFT**
PEWAUKEE ROBOTICS

Weekly News & Updates

February 5th, 2023

PRESENTED BY

Recap of Robotics 2/5/23

Students continue to build swerve/tank drive chassis and the mechanisms for picking up game pieces.
What chassis will be the final choice?

St. Louis Regional Preparations

It's time to finalize plans, schedules, logistics, and all the

Awards

Last years' Chairman's Award (now known as the IMPACT Award) team

work needed to get our team to the St. Louis regional in March! Our wonderful business team mentors have been putting in hours getting routes, food plans, lodging, and so much more ready so that our trip can run as smoothly as possible. Thank you so much to the mentors making this possible!

The deadline for our award submissions is approaching fast! Our award teams are hard at work crafting our essays, interviewing students, alumni, and mentors, recording videos, and much more! Good luck to Coach Powers with his Woodie Flowers nomination, sophomore **Selah R.**, and junior **Alex M.** for their Dean's List nominations!

Coach Powers

Below: Student Fieldtrip to UM-Duluth 2022

Alex M. and Selah R.

Code Team

The code team worked on their camera system to identify AprilTags on the field. This identification will help the robot know its position on the field. They also worked on balancing the robot while it is on the Charging Station (similar to a see-saw).

Safety Captain

We have a new 2023 team Safety Captain! You saw her earlier on this newsletter... Selah R! The Safety Captain is the go-to student for any concerns related to team safety. Selah, we know you're going to do a great job keeping us safe!

Sponsor of the Week

Thank you, Pewaukee Kiwanis, for supporting our team!

Important Dates

Feb 18 - FLL Expo

Feb 19 - Sussex Scrimmage

Feb 25 - Team Photo Day 12PM & Mandatory Travel Meeting 3PM

Mar 8-11 - St Louis Regional

Mar 22-25 - WI Regional
