#### Team Safety Meeting

Have you ever gotten injured using power tools or other equipment? Accidents happen, but we want to prevent as many of them as we can. That's why ALL of our students participate in safety training every year! Students made model wooden robots finished

with a light-up nose. How fun (and safe)!

## Giving Back to our Community

### Mobility Scooter Project

Team 1259 kicked off the holiday season by giving back to our community! After learning about an elderly couple in need of a mobility scooter, the team located a scooter, and over several weeks, the team got the scooter up and running better than ever! On Thursday, November 17th, the team presented the scooter to the recipient's husband. We are so happy to have been able to give back and start out this cold winter in such a cozy and warm way.
